Meet my fur-babies Sam & Snowy
These are the faces I come home to
everyday from work!

I shaved my head and
raised almost \$3000
for leukemia – yes I
had a Mohawk!

You'll find herbs, chilies, spring
onion, celery and tomatoes in
my vegie patch

Errol Hunt

I've played in the same touch-footy team for 23 years (yes, that boot is held together with electricians tape)

I'm a total Polynesian mythology/voyaging nerd

I recently sold my 1957 Morris Minor #tears ☹️ ...
but then I got a bike

My wife Cynthia and son Tristan enjoy FLEET meetings as long as they are at the beach!

I'm a bit obsessed with photographing birds.

And as a result, my luggage looks like this...

I enjoy a bottle of wine now and then.
